**§ 583.325 Nondiscrimination and equal opportunity requirements.**

(a) *General.* Notwithstanding the permissibility of proposals that serve designated populations of disabled homeless persons, recipients serving a designated population of disabled homeless persons are required, within the designated population, to comply with these requirements for nondiscrimination on the basis of race, color, religion, sex, national origin, age, familial status, and disability.

(b) *Nondiscrimination and equal opportunity requirements.* The nondiscrimination and equal opportunity requirements set forth at part 5 of this title apply to this program. The Indian Civil Rights Act (25 U.S.C. 1301 *et seq.*) applies to tribes when they exercise their powers of self-government, and to Indian housing authorities (IHAs) when established by the exercise of such powers. When an IHA is established under State law, the applicability of the Indian Civil Rights Act will be determined on a case-by-case basis. Projects subject to the Indian Civil Rights Act must be developed and operated in compliance with its provisions and all implementing HUD requirements, instead of title VI and the Fair Housing Act and their implementing regulations.

(c) *Procedures.* (1) If the procedures that the recipient intends to use to make known the availability of the supportive housing are unlikely to reach persons of any particular race, color, religion, sex, age, national origin, familial status, or handicap who may qualify for admission to the housing, the recipient must establish additional procedures that will ensure that such persons can obtain information concerning availability of the housing.

(2) The recipient must adopt procedures to make available information on the existence and locations of facilities and services that are accessible to persons with a handicap and maintain evidence of implementation of the procedures.

(d) *Accessibility requirements.* The recipient must comply with the new con-

struction accessibility requirements of the Fair Housing Act and section 504 of the Rehabilitation Act of 1973, and the reasonable accommodation and rehabilitation accessibility requirements of section 504 as follows:

(1) All new construction must meet the accessibility requirements of 24 CFR 8.22 and, as applicable, 24 CFR 100.205.

(2) Projects in which costs of rehabilitation are 75 percent or more of the replacement cost of the building must meet the requirements of 24 CFR 8.23(a). Other rehabilitation must meet the requirements of 24 CFR 8.23(b).

**§ 583.330 Applicability of other Federal requirements.**

In addition to the requirements set forth in 24 CFR part 5, use of assistance provided under this part must comply with the following Federal requirements:

(a) *Flood insurance.* (1) The Flood Disaster Protection Act of 1973 (42 U.S.C. 4001–4128) prohibits the approval of applications for assistance for acquisition or construction (including rehabilitation) for supportive housing located in an area identified by the Federal Emergency Management Agency (FEMA) as having special flood hazards, unless:

(i) The community in which the area is situated is participating in the National Flood Insurance Program (see 44 CFR parts 59 through 79), or less than a year has passed since FEMA notification regarding such hazards; and

(ii) Flood insurance is obtained as a condition of approval of the application.

(2) Applicants with supportive housing located in an area identified by FEMA as having special flood hazards and receiving assistance for acquisition or construction (including rehabilitation) are responsible for assuring that flood insurance under the National Flood Insurance Program is obtained and maintained.

(b) The Coastal Barrier Resources Act of 1982 (16 U.S.C. 3501 *et seq.*) may apply to proposals under this part, depending on the assistance requested.
